Ended up rallying along the rail in the Kentucky Derby but was never much of a factor; been way off best form since leaving Tampa; 4 of the last 8 Belmont Stakes winners raced in the Kentucky Derby then skipped the Preakness; his sire produced Belmont Stakes winners Creator and Tonalist; trainer Pletcher who also has Patch entered in this spot seeking his 3rd Belmont Stakes triumph (Palace Malice 2013 & Rags to Riches 2007).

4 of the last 8 Belmont Stakes winners raced in the Kentucky Derby then skipped the Preakness; raced wide every step of the way from post 18 in the Derby; seemed to be in good position but did not fire; it was a disappointment because he produced his Beyer-career Top on a wet track in the Sham but produced his lowest-2017 speed figure on the wet-CD oval; his grandsire won the Belmont Stakes; jockey Espinoza was aboard American Pharoah's Belmont Stakes triumph; trainer rarely wins with similar absentees.

Maybe returning to New York and a fast track will help his form as he looked like a good thing in his last-NY start in the G3-Gotham when producing a field-best Beyer speed figure; was troubled in the Kentucky Derby from the gate break noting both wins occurred when racing 3rd and 4th at the 1st call; needs to break sharper for any hope of turning the tables; 4 of the last 8 Belmont Stakes winners raced in the Kentucky Derby then skipped the Preakness; his grandsire won the Belmont Stakes; dam's sire finished 8th in the Belmont.

Asking a lot to narrowly win an allowance event then face the top 3-year-olds in racing for this; late runner seemingly has the style for 1-Mile and 1-2 although in the 1st two 2017 Triple Crown races both winners raced in top flight; he finished behind the February 18 runner-up finisher who Beyered 77 in a next-out KEE-allowance win; grandsire produced Belmont Stakes winners Creator and Toralisk.

Considering the Kentucky Derby and Preakness winners raced close to the pace (2nd and 3rd at the 1st call) he gets credit as one of a few running late in those events which could set him up nicely for this; nearly overcame the rail draw in the Derby being the 1st horse since 1988 to finish in the money from the 1-post position; the knocks against are he hasn't won since last summer and not past 7F; doing a rain dance earning his best Beyer on a wet track; trainer Asmussen goes for his 2nd straight victory in the Belmont Stakes (Creator 2016); in the last 10 Belmont Stakes the only runner to have competed in both Triple Crown events then captured the Belmont was American Pharoah.

Exits a best-last-race Beyer speed figure producing an impressive-Preakness as he was very-patiently ridden dropping back to last at the top of the stretch but unleashed a furious rally in the middle of the track to get up for 3rd as the top 2 finishers raced 2-3 early and he was the only one closing 3 weeks ago; defeated the 2-back runner-up finisher who Beyered 88 in his next-out SA-optional-claiming victory; trainer McPeck pulled off an upset in the 2002 Belmont Stakes with 70-1 shot Sarava.

Most of his Preakness running was on the rail where able to save all of the ground; he passed horses willingly while having to steady slightly when waiting on a hole to open up between horses in deep stretch; will add blinkers for the 1st time hoping to move him forward off last; today's added distance can help his upset hopes but needs a pace meltdown and Beyer boost to make an impact; defeated the 2-back runner-up finisher who disappointed at 11-10 odds next-out Beyering 85 on Preakness day finishing 6th in a PIM-100K stakes.
