CLOSER LOOK: Projects to save ground then make one run; has yet to produce a speed figure as a 3-year-old to top his best 2YO Beyer which was produced in a 1-turn Mile when rallying from 10th; you get a 36%-winning jockey-trainer combo since 2017 coming together for this; recent form suggests to rank a notch below the top contenders.

 Best success has been when mid-pack closing; lone-other-CD dirt start was a G2-stakes triumph; may have been too close to the pace in last to see best form as he was outkicked in the stretch by the winner; sire finished 4th in the Derby.

Lone win occurred when rallying from 4th; will be returning to CD dirt for the 1st time since that triumph; sire finished 18th in the Derby; raced too far back during his last 3 losses vs. similar rivals; posted his best Beyer in his 2nd start off a layoff lacking the necessary late kick to make an impact vs. similar rivals.

Both wins occurred when rallying from 7th at the 1st call; longest-distance test ever for this helps the cause; was widest drawn once during career without best success; trainer O'Neill has 2 Derby winners; sire finished 2nd in the Derby. -Art Gropper
