CLOSER LOOK: Avg. winning Beyer is 103; love the way he powered home in his last pair, not only showing quality but a guy who might be getting better and would have no problem with 10fs; there's a lot of angst about the rail (after all, you have to go back to Ferdinand in 1986 to win from the fence) but this might not be so bad; after all, the horse to his right isn't quick, the 2 outside of him might well send and the guy in the 5-hole isn't quick either so he could have a clean pocket from which to stalk while saving ground; best Beyer is a smidge behind a few of his rivals, but not THAT far behind them so any more progression makes him scary; Pletcher has won this twice.

Come back a better horse after break which gave him time to mature and develop and with just 4 races in him there's ample room for further growth with experience; of course, there better be further growth as Beyerwise he needs a hefty jump forward to have a say; at least shown tactical speed and versatility (won the G2 Wood from well back); you have to go back to 2000 for the last Wood winner to win the Derby (Fusaichi Pegasus) though a number have run well in Triple Crown races (Congaree, Empire Maker, Mo Donegal).

G1 SA Derby run was disappointing as he'd run well in his prior return start; still, it's encouraging connections feel good enough about him to ship across the country; and there's some cause for optimism as he showed quality last year routing as a 2yo; best work has come when put right into the race, not necessarily being 'sent' but being forward; still, his 3yo Beyer is pretty much on par with his 2yo figs so could he be that kid who was dominant in sports in junior high and then not as formidable in high school when the others boys has caught up or even gone past?

They surely had expectations from the start with that price tag, and they weren't shy to try as they shipped to KEE last October and to OP this year; showed he's got game with a fine G1 BC Juvenile effort and smart win in the G2 Los Alamitos Futurity next time out; trouble is, his form prior and since doesn't exactly get the pulse racing; they reapply blinkers but of the last 11 runners to add blinkers for the Derby the best finish is 4th, though at least his best work came with blinkers; Baffert tied with Ben Jones for the most Derby wins (6).

Camе running from far back to be a good 2nd in the G2 Wood; that shows some quality and the way finished says furlong No. 10 won't be an issue; what might be an issue is that his lack of speed could again leaves him with far too much to do turning for ho me and that style means he'll need every break in terms of pace and traffic; not only that, he likely needs to be faster overall as well so there are some things to overcome; McPeek won this in 2024 with Mystik Dan.

Done things that land him as a heavy hitter – won a lot (4 of 5), run fast (2 triple-digit Beyers) and shown guts (won close decisions in his last 2); no surprise he's good; heck, they paid a bundle for him; daddy has produced 3 Ky. Derby winners and dam sire won this race so there's ample stamina all the way around and the how he's finished up his races says 10fs will hit him right between the eyes; oh, and if you're worried about local experience he romped in his only prior local try; enough tactical speed to keep the leaders in his sights; Cox won with Mandaloun (2021).

Japan nearly got its first Ky. Derby in 2024 when Forever Young was a terrific near-miss 3rd; that said, Forever Young has turned out to be a generational talent; is this guy nearly as good?; well, he's run just the 3 times so we don't know his ceiling, though it's most encouraging he romped in all 3 starts so he passed every test with gusto; had to ship halfway around the world, no small matter, deal with new surroundings and he's yet to race in this direction (counter-clockwise); still, you figure Ja pan might get theirs one of these days, but the hurdles are not insignificant.

Might be the leading hope of the SoCal contingent; done little wrong winning 3 of 4 and that G1 SA Derby tally was not only smart visually he got a Beyer that puts him on par with some of his more fancied rivals; run just the 4 times, too, so there's ample room for growth; yet to wear blinkers though he's been working in them; has enough speed to be forwardly placed; daddy was a champion sprinter, but daddy won this race and his damsire won the BC Classic at this trip here so there's ample stamina; did have to ship across the country, no small task.

Kept on gamely to be a sharp 2nd in the G1 Florida Derby, just a lip behind major player Commandment; so, if that guy is a player here (and he is) doesn't it follow this guy could be as well?; darn tootin' it does; shown tactical speed and versatility to give his rider options and you have to like how his Beyers are trending north; pedigree-wise should have no issue with the 10fs; Delgado won this in 2023 with Mage.

Like his countryman Danon Bourbon he faces some significant hurdles; hasn't been nearly as dominant as 'Bourbon either; does have a couple things in his favor as he's raced counter-clockwise before and has shipped halfway around the world and still produ ced his 'A' game; of course, he's had to ship halfway around the world yet again but there's talent here and the way he finished while winning that G2 UAE Derby says today's distance won't be an issue.

Not only comes off a visually impressive win at CNL he returns to a place he obviously likes as he's 2 for 2 here including a G3 SW; lone poor outing came when he shipped to GP for the G3 Holy Bull in the winter but he was no factor at any point; maybe i t was just one of those days, or maybe he didn't relish the GP strip or maybe he need the race after a 3 months off; well, he next went to CNL and got back on track so there's talent here and as noted he like this place; still, no Beyers cracking the 90 mark means he has to run a race he hasn't run yet to be effective.

Been something of a 'buzz horse' as a smashing recent work and gallop-out had some observers elbowing their way onto his bandwagon; even without that work he merits respect coming off 2 good races just behind Commandment, who might go favored here; love how he kept to his task in the G1 Florida Derby so he's got game and the way he's finished and pedigree say 10fs won't be an issue; interesting they're adding blinkers but that hasn't worked so well in this race of late (of last 11 runners to add blinke rs the best finish was 4th); Mott has won this twice including last year with Sovereignty.

Done little wrong in 6 starts, though one of today's favorites Renegade beat him pretty handily in the G1 Arkansas Derby; in his defense, he'd reportedly been fighting a bit of a foot bruise so maybe that exaggerated the loss; trainer Casse has reported he's past that ailment and that may add up to a move forward; of course, it had better considering Renegade left him well in his wake at OP and a career-top Beyer of 91

Dueled in the G1 SA Derby April 4 and was unable to counter So Happy's charge in the final furlong; that was just his 3rd start, though, so there's ample room for growth and development; that speed likely translates to him being forward from the start an d you know with Baffert if they have speed he lets them use it; cost a fortune so there were expectations from the start; while he can be forward, you do wonder if 10fs is what he wants; daddy has produced 3 Derby winners and Baffert tied with Ben Jones for most Derby wins (6).

Brown isn't one to overstate his case so quotes from him about this guy's talent and progress sound like outright gushing; of course the main dilemma is seasoning as he's run just the 2 times; only prior winner of this off just 2 races was Leonatus (1883 ); that aside, he's shown talent and guts with a pedigree that says 10fs will be right in his wheelhouse; as noted, his smart works have his trainer feeling spry and while Brown has yet to get this prize he certainly figures to remedy that one of these d ays...maybe today.

TRAINER: 31-60Days(268 .15 \$2.28) Dirt(356 .17 \$1.74) Routes(376 .12 \$2.01) GrdStk(68 .04 \$0.56)  
Some decent state-bred work didn't exactly seem to have him salivating for a shot at open company and tougher but he's picked up game with the move to deeper waters; gamely won the Sunland Derby and then darn near won the G2 Louisiana Derby at FG March 21, finishing just a nose shy of Emerging Market who certainly has his backers here; could be those last 2 are signs he's figured out things; handles a route and speed likely has him forward; all that being said, he'll need another boost forward to ring t he bell, though that isn't out of reach; O'Neill has won this twice.

Did lots of good work in Dubai so there's talent here; that said, he was fairly well beaten by today's foe Wonder Dean when 2nd in the G2 UAE Derby; in his defense, that was his first start in a couple months; off that they felt good enough about him to ship here for this; seems to have some tactical speed so he can be forward; still, UAE Derby runners, save for Japanese star Forever Young (ran 3rd), have not fared so well coming for the roses.

AE kept to his task for 3rd in the G2 Wood so that's nice; still, we're talking a maiden facing winners and only 3 maidens have won this (Buchanan, 1884; Sir Barton, 1919; Brokers Tip, 1933); 12 maidens have run since 1937, best finish being 8th; while that Wood run wasn't bad his 2 prior starts, both stakes, weren't too hot; at least the Wood represented a move forward but he'll need another much bigger leap to get involved.

AE got his diploma at SA around 2 turns and was a sharp 2nd in the G2 San Felipe there a couple months ago so there's some ability here; trouble is, it's been something of feast or famine for him; at least has speed and Jaramillo comes with him to keep t he mount, but you wonder if he's simply biting off too much here and remember he was 67-1 in the San Felipe; O'Neill has won this twice.

AE duled in the G3 Lexington before tiring late, but it's not as if he caved in; that was a 2nd straight decent route so he seems comfortable going longer, no surprise with that pedigree; speed to be in it from the start and if he goes it can help him f lee a very tough far-outside post; but if he goes and uses all that fuel early, with a few others likely in close attendance, what does that do to him come furlong 8 and beyond? -Michael Hammersly
